

# LBCAP's 1st Annual CAPture the Giving Spirit with GIVINGTUESDAY

Dec 1, 2020

## *Why It's Important to Give*

The Long Beach Community Action Partnership (LBCAP) touches people's lives in immediate and impactful ways by providing critical support services for individual's and families who are currently living in poverty.

## *Our Central Programs:*

Our Energy program pays utility bills and installs efficiency measures, improving the quality of life for your customers. Our youth program teaches leadership through the arts and builds confidence to carry them throughout their lives. Our tax program maximizes a family's tax return and increases their financial stability. Our public access media center provides opportunities for our community to make their voices heard.

## *Reducing the impact of COVID-19*

Our new Community Economic Relief & Reinvestment Alliance (CERRA) program addresses food and housing security by providing grocery vouchers, rental support, and other critical need funding to our community partners throughout Long Beach.
